

## The Convers(at)ion of Pontius Pilate

Knew only of a jawing, Bible-thumping trouble-maker.  
The Jews were upset.

“Toss that Christ across a cracker.  
The parrots are crowding him.  
Tease them all.”

Thumped on the jaw with a Bible when the Jews began making trouble.  
The news only upset.

“Toss that Christ a cross,  
A cracker to the parrot crowd.  
Please them all.”

Troubled when he knew the Bible, a thumping in his jaw.  
The Jew was never upset.

“That Christ could toss a cracker  
to a crowd of parrots  
and feed them all.”
